

Student testing in SkyPrep

If the student is new to SkyPrep, they should receive a email from mailer@skyprepapp.com with details on their new account and how to log into the site.

It will look something like this:

Students will log into SkyPrep at <https://missouri-coalition-of-childrens-agencies.skyprepapp.com/>

Course Overview

Course Introduction: Your course location (Examples: "Building A" or "Springfield campus") will appear here. This is what you entered on the Med Cert Class request form.

- MCCA Main Med Cert Quiz
- Has this student completed all course requirements (check competencies)

Take the test. Students have up to three attempts to earn a score of 80% or higher. Answers may be reviewed before the final submission.

Once the quiz is taken, there is nothing more for the student to do at this time. Log out of the site by clicking your initials in the upper-right and clicking Sign Out.
